

## TAO MOTOR CHEETAH

Read Owner's Manual and all on-product warnings. ATVs can be hazardous to operate. For your safety, Always wear a helmet, eye protection, and protective gear. Never carry a passenger. Never ride under the influence of drugs or alcohol. Never ride on public roads or pavement. Be extra careful on difficult terrain. All children under the age of 16 riding ATVs should always have adult supervision at all times. Tao Motor also recommends that all ATV riders take a training course. For more information contact your local dealer or call (888) 908-3816 Tao Motor Inc. 2020

## CHEETAH

Confidence is critical when riding ATVs, especially for our youngest riders. And gaining that confidence is a breeze when you're riding the Cheetah. Sporty and sharp, its low-maintenance four-stroke engine and automatic transmission with reverse provide hours of fun while still allowing you to learn how to ride a sport ATV effortlessly.

Geared with a convenient and no-hassle electric start, your wheels will turn in no time. With an appropriately sized frame and safety features like the speed limiter and wireless remote shut-off, there's no downtime for growing into this vehicle. And with almost five inches of ground clearance and adjustable shocks, you can take on every journey easily. Colors and graphics may change, but the Tao Motor Cheetah remains reliable, durable, and ready for wherever the trail takes you.

# CHEETAH
